Surety turns the lights on!

We are very grateful for the employees from Surety who came out to volunteer with us on Friday. These incredible volunteers spent their day installing the light fixtures and ceiling fans throughout the house. This particular task required a great deal of patience, diligence, and concentration which these volunteers had more than enough of. Thank you Mike, Dave, Travis, Tom, and Adonis from all of us at Habitat for Humanity of Kansas City and the families we serve.
